The Great Northern
12 day Air Safari
August 2018

Following our successful Great Grasswren tour by private plane last year, we’re proud to offer another Air Adventure across the Great Northern wilderness of Australia. Visiting iconic birding destinations such as the Red Centre, Uluru, Mt Isa, the Pilbara, the Kimberley (including Broome), Mitchell Plateau and Kakadu National Park, this once-in-a lifetime tour is bound to boost your species list significantly. We’ll be using our own private chartered aircraft for this trip, while ground excursions will be delivered by local bird guides in 4WD’s. This trip is a real adventure (yet fully accommodated), taking us across the northern Australian continent in late winter, generally a great time to go birding. Expect to see over 200 species, including all northern Grasswrens, Rufous-crowned Emu-wren, Spinifex Pigeon, Chestnut-quilled Rock-pigeon, Kimberley Honeyeater, Buff-sided Robin, Red-headed Honeyeater, rare waders and many, many more. While we may encounter chilly mornings, during this time of year the weather is generally quite pleasant. The accommodation is in comfortable en-suite rooms and the rewards will be a great spread of Australia’s northern outback bird species!

What to bring: Please travel light; Binoculars, camera, insect repellent, sunscreen, hat. Sturdy footwear recommended. Scopes and heavy suitcases are discouraged.

Clothing: Lightweight long pants, long-sleeved shirt, over the top of which you can wear layers that can be taken off as necessary, including a thick jumper or wind-proof jacket.

Group size: Maximum 8 participants.

Cost: $14,500* per person including accommodation and all meals, based on double or twin-share occupancy. Single supplement of $550. Not included: drinks, tips & personal expenses.

Bookings: Online at http://www.bellbirdtours.com/bookings or please complete the booking form in the back of this brochure. Only 8 seats available. There is high demand for this tour already.

Leader: Peter Waanders, Mark Carter & local guides

Tour reports and photos of previous tours: http://www.bellbirdtours.com/

*Price based on 8 participants; a surcharge will apply if <8 bookings.
Great Northern 12-day birding tour 2018

**Departs:** Melbourne’s Essendon Airport, Main Terminal on Aug 11, 2018

**Cost:** AUD 14,500 inc GST per person. Single accommodation surcharge: AUD 550 inc GST. *This price is based on 8 participants. In the unlikely event that we receive less than 8 bookings, a surcharge will apply. In this case, you will be given the option to either pay the extra or withdraw your booking.*

**Included:**
- All private charter **flights** in our aircraft
- **All ground transport** in comfortable and reliable 4WD vehicles
- **All accommodation** on twin share basis, basic but comfortable motel or cabin
- **All meals** (continental breakfast (cooked on occasion), light lunch and a variety of 2 & 3 course dinners)
- **Expert guiding:** the tour will be led by Peter Waanders and Mark Carter, and accompanied by local guides.
- **Refillable sports drink bottle** to reduce plastic water bottle use

**Not included:**
- Travel to & from departure and finish points, pre & post trip accommodation, any meals not mentioned, any drinks, personal expenses, tips, insurance.
- Additional activities not included in the program

**Bookings:**
- **Please complete the booking form in the back of this brochure.** We can also arrange your pre and post tour accommodation – please contact us for details.

**Reports of previous tours:**
- As this is a new tour, there are no trip reports available, however, we ran a very successful Great Grasswren tour in 2016 using the same plane and we have been running Six and Nine Grasswren tours since 2006 and their trip reports can be found here: [http://www.bellbirdtours.com/reports/](http://www.bellbirdtours.com/reports/)

*Combine with our preceding 9 Grasswren tour to get all Australian Grasswrens, and receive $1000 off on the total price! See page 6 for details.*
Great Northern 12-day birding tour 2018

ITINERARY

Day 1: Saturday 11 Aug. Early morning departure aboard our own comfortable, pressurized private airplane from Melbourne to Mt Isa (Qld). From the airport we’ll head straight to the rocky spinifex habitats surrounding Mt Isa for our first chance of Kalkadoon Grasswren. Other good birds possible in this area are Black-tailed Treecreeper, Spinifexbird, Spinifex Pigeon and many more.

Accommodation: Abacus Motel, Mt Isa (en-suite motel room; meals; L, D).

Day 2: Sunday 12 Aug. We’ll spend the full day around Mt Isa searching for Kalkadoon and Carpentarian Grasswren. Another drawcard here is Painted Finch which we’ve seen on most prior visits. We’ll also spend time looking for other good species of the area, including Spinifex Pigeon, Little Woodswallow, Spinifexbird, the ‘Cloncurry’ race of Australian Ringneck, Spinifexbird and Varied Lorikeet. We’ll visit the sewage pond, with chance of Plumed Whistling Ducks and other waterfowl.

Accommodation: Abacus Motel, Mt Isa (en-suite motel rooms; meals: B, L, D).

Day 3: Monday 13 Aug. After some more morning birding we’ll fly to Alice Springs. We’ll head into the Eastern MacDonnell Ranges for our best chance at some of the tricky spinifex species. Prime targets are the tiny Rufous-crowned Emuwren, Spinifexbird, Crimson Chat, and Painted Finch. We’ll bird all the way into the picturesque Trephina Gorge for an easy walk to search for another local specialty: Dusky Grasswren. Other species we may find here include Australian Owlet-nightjar, Red-browed Pardalote, Western Bowerbird, and the gorgeous “Golden-backed” race of Black-chinned Honeyeater. We’ll have lunch in the famous Olive Pink Botanic Garden, with its resident Grey-crowned Babblers, Western Bowerbirds and many honeyeaters. We’ll then visit Simpson’s Gap where we’ll take a gentle stroll looking for Slaty-backed Thornbill, Western Gerygone, Redthroat, and another chance at seeing Dusky Grasswrens and Painted Finches and this is a common place to find Peregrine Falcon hunting Little Woodswallows above the soaring cliffs. Black-footed Rock Wallabies often come down from the slopes to drink.

Accommodation: Chifley Hotel, Alice Springs (en-suite hotel rooms; meals: B, L, D).

Day 4: Tuesday 14 Aug. A short flight this morning from Alice Springs to Uluru (Ayers Rock) which includes a close-up scenic view of this famous landmark. Today’s main target is the recently-split Sandhill Grasswren (was oweni...
ssp of Striated) in the sandy spinifex-covered sand dunes. Other birds we may see today include Spinifex Pigeon, Banded Whiteface, Cinnamon Quail-thrush, Ground Cuckoo-shrike, Major Mitchell Cockatoo and there is a small chance of Grey Honeyeater and other nomadic inland honeyeaters and Inland Dotterel. Optional sunset-viewing at Uluru / Ayers Rock this evening. Accommodation: **Pioneer Outback Lodge, Uluru** (en-suite hotel rooms; meals: B, L, D).

**Day 5: Wednesday 15 Aug.** If needed, another chance for Sandhill Grass-wren or any other birding this morning before our flight to the Pilbara region in north-west WA. After landing on the extreme western edge of the Australian continent near Newman we head straight out into the bush to look for Pilbara Grasswren, another recent split from Striated (was ssp. whitei). One of the other drawcards here is Chiming Wedgebill, while we also stand a good chance of Painted Finch, Grey-headed Honeyeater and Slaty-backed Thornbill. Accommodation: **Seasons Hotel, Newman** (en-suite hotel rooms; meals: B,L,D).

**Day 6: Thursday 16 Aug.** If needed, another chance for Pilbara Grasswren or any other birds desired but we’d like to make an early departure to nearby bird hotspot Broome. From our base at the famous Broome Bird Observatory we’ll explore famous Roebuck Bay and neighbouring areas in search of waders (with chance of Asian Dowitcher, Broadbilled Sandpiper and who knows: Common Redshank) and other shorebirds, while Striated Heron, Eastern Reef Egret, White-breasted and Mangrove Whistler, Broad-billed Flycatcher, Dusky Gerygone, Red-headed Honeyeater, Yellow White-eye and many, many more excellent birds! Accommodation: **Broome Bird Observatory** (basic motel rooms with shared facilities; meals: B, L, D).

**Day 7: Friday 17 Aug.** We’ll bird the morning around the Bird Observatory, then an exciting and scenic flight over the Kimberley awaits us to reach Drysdale Station, centrally located in the remote Kimberley. Arriving at Drysdale, we’ll check into our accommodation and have lunch, then spend the afternoon birding the local area. Species we may encounter here include Purple-crowned Fairy-wren, Long-tailed and Crimson Finch, Northern Shrike-tit, Banded, Bar-breasted, Yellow-tinted Honeyeater, Silver-crowned Friarbird and more. Accommodation: **Drysdale Station** (basic motel rooms with shared facilities; meals: B, L, D).
Day 8: Saturday 18 Aug. Today we’ll search for Black Grasswren. Our plane will take us to the Mitchell Falls airstrip (15min) from where we’ll be helicoptered (15min) to the Mitchell Falls area, enjoying a stunning view of the falls on the way. We’ll spend most of the day exploring the landscape here, with its mix of tall grasses interspersed with huge boulders, and spinifex-clad slopes. Having found the Black Grasswren, we’ll turn our focus to other birds, such as Kimberley Honeyeater, Chestnut-quilled Rock Pigeon, Partridge Pigeon, Buff-sided Robin and more. At the end of the day, we’ll return to laid-back Drysdale. Accommodation: **Drysdale Station, Kimberley** (basic motel rooms with shared facilities; meals: B, L, D).

Day 9: Sunday 19 Aug. We’ll spend the morning birding around Drysdale Station with further chances of Kimberley Honeyeater, as well as other good birds such as Crested (Northern) Shrike-tit, Purple-crowned Fairy-wren and Banded Honeyeater. We’ll then hit the skies again heading to Kakadu National Park in the Northern Territory. This is one of Australia’s most famous National Parks and is host to a suite of rare birds and impressive scenery. Our base will be Point Stuart Wilderness Lodge just outside Kakadu NP. After lunch, an important decision awaits us!

From Point Stuart, **participants can choose** to either leisurely bird in/around Kakadu NP with our professional local guide, or undertake a camping expedition to our own secret White-throated Grasswren location, recently found by our local guide.

**Option 1: Kakadu guided birding:**

**Days 9-10-11: Sun 19, Mon 20, Tue 21 August.**

During these days we’ll bird the swamps and lagoons in Mary River NP and Kakadu NP for birds including Great-billed Heron and Little Kingfisher, while there is a small chance of Red Goshawk and Pacific Baza. Other species we could encounter here include Black Bittern, Large-tailed Nightjar, Buff-sided Robin, Grey Goshawk and Bar-breasted Honeyeater. During these days we’ll also bird some of the Arnhem Land escarpment country for Chestnut-quilled Rock-pigeon and Partridge Pigeon, and with luck, the elusive Black-banded Pigeon. Other possibilities here include Top End endemics such as White-lined Honeyeater and Sandstone Shrike-thrush. Woodland birds won’t be forgotten with Varied Lorikeet, Silver-crowned Friarbird, Rufous-throated and Banded Honeyeaters and Black-tailed Treecreeper all possible whereas a visit the wetlands should yield Green Pygmy-goose and Wandering and Plumed whistling-duck. And of course there’s always a chance of Gouldian Finches! Accommodation: **Point Stuart Wilderness Lodge, outside Kakadu NP** (en-suite motel rooms; meals: B, L, D).

(continue to next page for Day 12)
Great Northern 12-day birding tour 2018

Option 2: White-throated Grasswren expedition:
Days 9-10-11: Sun 19, Mon 20, Tue 21 August.

The White-throated Grasswren 3-day expedition will involve 4WD’ing into the wilderness for as far as we can, then trekking on foot, and camping for two nights. Your guides will carry most of the supplies but you will be required to help carry some of the gear. However, you won’t regret it! Along the way there are plenty of other good birds to be found; Rainbow Pitta, White-lined Honeyeater, Sandstone Shrike-thrush, Banded Fruit-dove and Buff-sided Robin are all possibilities over the next couple of days. After 4WD’ing and trekking to the site, we’ll set up camp and enjoy a nice meal while watching the myriad of stars shining, more brilliantly here than anywhere you’ve been before. You’ll climb into your tents for a restful night. Accommodation: camping (two nights; private tents; meals included: B, L, D).

We’ll spend the entire next day searching for the most elusive of all Grasswrens: White-throated Grasswren. This won’t be a walk in the park: there are no tracks, we’ll be getting scratched traversing the spinifex, getting hot while clambering over boulders, but hopefully, getting very excited upon viewing these magnificent birds! At the end of the day we’ll retire to our tents after another campfire-cooked meal for a well-earned rest. After lunch on Tuesday 21 August we retrace our tracks back and return to Cooinda where we’ll check into a comfortable room for a welcome shower and join the rest of the group for a well-deserved meal. Accommodation: Cooinda Lodge, Kakadu NP (en-suite motel rooms; meals: B, L, D).

The entire group then reunites for Day 12:

Day 12: Wednesday 22 Aug. Today we travel back to Melbourne with fuel stops and a lunch stop along the way: Cooinda – Katherine – Alice Springs – Leigh Creek – Melbourne. Total flight time approx. 7 hrs. Meals included: B, L.

Pre-tour options:
Commencing with dinner on Wednesday 1 Aug we’ll be running our Nine Grasswren Tour from Adelaide to Mt Isa. You can link these 2 tours, in that case you’ll arrive in Mt Isa on Sat 11 Aug as part of the Nine Grasswren tour. One of Australia’s epic birding adventures, during the Nine Grasswren tour we search for nine of Australia’s 13 Grasswren species: Striated, Short-tailed, Western, Thick-billed, Eyrean, Grey, Kalkadoon, Carpentarian and Rusty Grasswren. We’ll explore the Mallee scrub in SA, the Flinders Ranges, Birdsville track, the stark country around Boulia-Winton to finish around Mt Isa. This trip is a real adventure (yet fully accommodated), we expect to see some 200 species, and besides the Grasswrens we have a good chance of sought-after birds like Red-lored Whistler, Banded and Chestnut-breasted Whiteface, Chestnut and Cinnamon Quail-thrush, Gibberbird, Yellow Chat, Inland Dotterel, Flock Bronzewing, the enigmatic Grey Falcon...

If you wish to join the Nine Grasswren Tour in conjunction with the Great Northern Tour you’ll also be eligible for an immediate $1,000 off the total price of both tours!

To secure a seat, a deposit of 20% of the tour price is required at the time of booking. Full payment is due 60 days prior to the departure date. Until full payment has been received, Bellbird Tours reserves the right to change the tour price (eg due to changing fuel prices).

Please tick which of the following payment options you will be using to pay the deposit:

- **Domestic electronic funds transfer**: please send funds to the following bank account:
  - bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
  - account name: Bellbird Tours Pty Ltd
  - Branch No. (BSB) 015-140    Account No. 206136528
    - Please use your surname as the booking reference.

- **Visa & Mastercard**: through Pin Payments (an easy, secure online payment system). They charge us a fee of 1.75%, which unfortunately we have to pass on to you. Please contact us if you want to use this option, and we’ll email you a link to a secure payment page.

- **PayPal & other credit cards through PayPal**: They charge us a fee of between 2.5-3.5% to receive your money, which unfortunately we have to pass on to you. Please contact us if you want to use this option, and we’ll email you a secure PayPal invoice.

- **International electronic funds transfer**: please send funds in Australian Dollars (+ bank charges or AU$20 bank transaction fee, see notes below) to the following bank account:
  - international swift code: anzbau3m (no IBAN codes are used in Australia)
  - bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
  - account name: Bellbird Tours Pty Ltd
  - Branch No. (BSB) 015-140    Account No. 206136528
    - If possible, please use your surname as the booking reference.
    - If you are required to provide our physical address, this is: 101 Chilton Road, Berri, SA 5343, Australia.
    - Please specify AU$ as the recipient’s currency, and the correct amount. Select the option for you to incur any charges at both ends; if no such option exists, please add AU$20 to cover the bank fee at the recipient’s end. Any discrepancy between the amount payable and amount received will be added to the final balance, or payable in cash at the start of the tour. Prices and fees are not negotiable.
