This is one of Australia’s epic birding adventures, where we search for nine of Australia’s 13 Grasswren species: Striated, Short-tailed, Western, Thick-billed, Eyrean, Grey, Kalkadoon, Carpentarian and Rusty Grasswren. From the vast expanses of Mallee scrub in the Vic-SA border region to the Flinders Ranges we travel up the Birdsville track through the outback, visit the stark country around Boulia-Winton and finish in the ranges around Mt Isa. This trip is a real adventure (yet fully accommodated), taking us through the heart of the outback during the late Australian winter season, generally a great time to go birding. During these 12 days we expect to see some 200 species, and besides the Grasswrens we have a good chance of sought-after birds like Red-lobed Whistler, Banded and Chestnut-breasted Whiteface, Chestnut and Cinnamon Quail-thrush, Gibberbird, Yellow Chat, Inland Dotterel, Flock Bronzewing, Spinifex Pigeon, Painted Finch and even the enigmatic Grey Falcon. We'll drive around 4000 km and there will also be lots of walking, with early departures and late finishes each day. While we may encounter frosty mornings, during this time of year the weather is generally quite pleasant. Some of the accommodation is in basic rooms without private facilities. However the rewards are some of Australia’s hardest to find, yet most sought-after outback species. This tour has a new itinerary so read on below to whet your appetite!

Tour starts: Adelaide, SA  
Finishes: Mt Isa, Qld

Scheduled departure & return dates:
• 1–13 August 2018

Price: AU$5,999 all-inclusive (discounts available).
Leader: Peter Waanders and Helga Kieskamp

Tour details

Tour starts: Adelaide, SA & Finishes: Mount Isa, Qld

Scheduled departure and return dates:
Tour commences with dinner on 1 Aug 2018. Please arrive on or before 1 Aug. Tour finishes with breakfast on 13 August 2018. Please depart on or after 13 August. Itinerary contains further details.

Leader: Peter Waanders and Helga Kieskamp.

Difficulty: Low/Medium/High/Excellent level of fitness required. This fast-paced trip is not for the faint-hearted, with lots of walking in sometimes difficult terrain, early departures and late finishes each day, while driving around 4000 km (a lot on unsealed roads). We may encounter harsh outback conditions such as heat, frosty mornings, torrential rain or dust-storms. You can opt out of any challenging activities if you like.

What to bring: Please travel light. Binoculars, camera, mobile phone, chargers, if you’re an international guest, insect repellent, sunscreen, personal medications, sun hat, water bottle, hand sanitizer. Sturdy footwear recommended. Scopes, super-telephoto lenses with tripods, and heavy suitcases discouraged.

Clothing: Lightweight long pants, t-shirt and long-sleeved shirt, over the top of which you can wear layers that can be taken off as necessary, including a warm jumper and a rain-proof jacket. Neat casual attire for dinners. Be prepared for some coldish mornings but gloriously sunny days.

Group size: Minimum 4, maximum 8 participants.

Cost: AU$5,999 per person including accommodation and all meals, based on double or twin-share occupancy. Single occupancy surcharge of $550. Not included: drinks, tips, personal expenses. Earlybird discount of $99 for bookings received up to 6 months before departure date. Return-client discount may apply.

Bookings: Online at http://www.bellbirdtours.com/bookings or please complete the booking form in the back of this brochure.
Nine Grasswren 12-day birding tour 2018

You can link the preceding Red Centre Adventure seamlessly with our Nine Grasswren tour, and receive the following benefits:

- **Night of 31 July included in price (Alice Springs)**
- **Free flight Alice Springs-Adelaide**
- **Return-client discount on your 2nd tour (no other discounts apply)**.

Please contact us for further details.

**ITINERARY**

**Day 0: Wednesday 1 Aug.** Make your own way to Adelaide, taxi (not included) from airport to hotel for dinner and introductions. Accommodation: **Mercure Grosvenor, Adelaide** (en-suite rooms; meals: D).

**Day 1: Thursday 2 Aug.** An early departure as we head to the mallee-spinifex habitat of Gluepot Reserve and surrounds, where we’ll have a go at finding our first Grasswren: Striated. Other good birds possible in this area are Chestnut Quail-thrush, Southern Scrub-robin, Black-eared Miner, Gilbert’s Whistler and with much luck, Red-lored Whistler and Regent Parrot. This is one of Australia’s largest wilderness areas, over 1,000,000 ha of “mallee” eucalypt scrub of the Bookmark Biosphere - a conglomeration of nature reserves and pastoral properties. Here we’ll have lunch before leaving the area for the Murray river where we’ll look for the beautiful but rare Regent Parrot. Accommodation: **Morgan Colonial Motor Inn** (private en-suite rooms; meals: B, L, D).

**Day 2: Friday 3 Aug.** After breakfast on the Murray we’ll explore the local area looking for Redthroat, Striped Honeyeater, Splendid Fairy-wren, Southern Scrubrobin and White-browed Treecreeper and then head north, where Western Grey and Red Kangaroos hop around in the clearings. The landscape soon changes to prairie-like bluebush plains and we visit a small reserve where we have our first chance of Thick-billed Grasswren. We spend the afternoon searching for this bird with also a good chance of Rufous Fieldwren, Redthroat, White-winged Fairy-wren and chats, before moving on to our final destination for today: Nutt Bush Retreat, an outback station (farm) near Port Augusta, with its resident turquoise-race Splendid Fairy-wrens. Accommodation: **Nutt Bush Retreat, Port Augusta** (private rooms with bathroom facilities shared between 2-4 people; B, L, D).

**Day 3: Saturday 4 Aug.** First thing after breakfast will be the search for Western Grasswren in the surrounding bluebush plains. Other birds we are likely to come across are the turquoise race of Splendid Fairy-wren, Black-eared Cuckoo, Chirruping Wedgebill and Rufous Fieldwren. Banded Stilts are often in a nearby coastal lake. We’ll then travel to the Flinders Ranges, an impressive range of soaring rock formations on the edge of the outback. We search the spinifex-grass covered slopes for the elusive Short-tailed Grasswren. There’ll be plenty of Red, Western Grey and Euro Kangaroos. Our accommodation is centrally located within the Flinders Ranges, amongst the impressive Red Gum trees and surrounded by Grasswren habitat! Accommodation: **Wilpena Pound Resort** (private en-suite rooms; meals: B, L, D).
Day 4: Sunday 5 Aug. We have another chance this morning for Short-tailed Grasswren which we can search for straight from our rooms. Later in the day we proceed deeper into the Flinders Ranges, driving along river beds and through narrow gorges cut deeply into geological layers that date back 800 million years. Here, we search for Elegant Parrot, Grey fronted Honeyeater and the rare Yellow-footed Rock-wallaby. We’ll end up in Lyndhurst with chance of Chirruping Wedgebill, Budgerigar and Rufous Fieldwren on the way. After sunset we check for Inland Dotterel. Accommodation: Lyndhurst Pub (a typical outback pub with new, private en-suite cabins; meals: B, L, D).

Day 5: Monday 6 Aug. The morning will be spent at nearby Mt Lyndhurst Station or Witchelina Station, to search for any species still needed. There are further chances of Thick-billed Grasswren here and if we’re lucky, the very range-restricted Chestnut-breasted Whiteface. Afterwards we continue up the Birdsville track, which traverses endless open stony plains interspersed with mostly dry watercourses. We look for Cinnamon Quail-thrush, Budgerigar, Red-backed Kingfisher, and have a good chance of Inland Dotterel. Near Mungerannie, the long, white sand dunes provide us with a chance of Eyrean Grasswren. An artesian bore overflow has created a nice wetland which usually holds Brolga and a raft of waterbirds, including crakes – in amidst desert-like scenery. Accommodation: Mungerannie Pub (a typical outback pub with basic rooms and shared bathroom facilities; meals: B, L, D).

Day 6: Tuesday 7 Aug. We’ll check for Grey Falcon at first light and may see Flock Bronzewings heading for their early morning drink. Neighbouring Cowarie Station has resident Eyrean Grasswrens in the scenic sand dunes while along the Warburton River we often come across Red-browed Pardalote and Banded Whiteface. Crimson and Orange Chats and Black Honeyeaters are usually present too and on the gibber-strewn plains we look for Gibberbird. At the end of the day we check for Grey Falcon again. Accommodation: Mungerannie Pub (a typical outback pub with basic rooms and shared bathroom facilities; meals: B, L, D).

Day 7: Wednesday 8 Aug. We set off early to check for Grey Falcon again, then travel to a (usually dry) swamp some time in the morning. The constant chatter of bird calls provides a background chorus to our search for Grey Grasswren which prefers the dense lignum shrubs in the foreground. Other species we’ve encountered here are Australian Pratincole and Flock Bronzewing. Later we move on to another bore drain where the target is the very rare and localised Yellow Chat. We check a Letter-winged Kite colonial nesting site (they don’t nest each year) and have another chance of Grey Falcon and Eyrean Grasswren. Accommodation: Birdsville Caravan Park (private rooms with shared facilities; meals: B, L, D).
Day 8: Thursday 9 Aug. We bird around Birdsville, checking local wetlands and sand dunes for species such as Budgerigar, Brown and Rufous Songlark, Brolga, Black-tailed Native-hen, Plumed Whistling-duck and Red-browed Pardalote. We’ll then head north to Boulia, along the way checking for Flock Bronzewing, Letter-winged Kite (depending on preceding seasonal conditions), Inland Dotterel and another chance of Grey Grasswren. Brolgas are often seen wandering in town here! Accommodation: Desert Sands Motel, Boulia (en-suite rooms; meals: B, L, D).

Day 9: Friday 10 Aug. Traversing the area where Night Parrot has been recorded recently, travelling on dark red gravel roads we notice more and more spinifex around us (with chances of Spinifexbird) until we arrive in the spinifex-covered plains around Opalton. Here we search for Rusty Grasswren (rowleyi ssp of Striated). Other species we may come across include Spinifexbird, White-browed, Dusky and Masked Woodswallow, Spinifex Pigeon and Grey-fronted Honeyeater. We then travel to the township of Winton, Australia’s dinosaur capital. Accommodation: Winton Motel (en-suite motel rooms; meals: B, L, D).

Day 10: Saturday 11 Aug. A back-up morning for Rusty Grasswren. If we’ve succeeded the day before, there is the option for people to visit the Australian Age of Dinosaurs Natural History Museum this morning (own cost). Situated high up on a rugged jump-up plateau with spectacular views over the surrounding plains, the museum contains Australia’s largest collection of dinosaur fossils on display. Other options include birding / exploring nearby Bladensberg National Park. Towards the end of the morning we commence the long drive to Mount Isa; we’ll break for lunch somewhere scenic and birdy, and keep an eye open for Cloncurry Ringneck (MacGillivrayi ssp of Australian Ringneck). Before arriving in Mt Isa we check the first location for Kalkadoon Grasswren. Accommodation: Ibis Styles Hotel Mt Isa (en-suite rooms; meals: B, L, D).

Day 11: Sunday 12 Aug. A full day around Mt Isa looking for the two main targets here: Carpentarian and Kalkadoon Grasswren. There are many other good bird species, including Spinifexbird, Spinifex Pigeon, Little Woodswallow, Black-throated Treecreeper, Varied Lorikeet and many more. Another drawcard here is Painted Finch sunning on the rocks early in the morning. We’ll also visit the sewage pond, with chance of Plumed Whistling Ducks and other waterfowl. Nearby at Lake Moondarra we have a good chance of Paperbark Flycatcher, Spotted Bowerbird, Plumed Whistling-duck, Painted Finch, Purple-necked Rock-wallaby and Freshwater Crocodile. Accommodation: Ibis Styles Hotel Mt Isa (en-suite rooms; meals: B, L, D).

Day 12: Monday 13 Aug. Today has been set aside as your departure day so please book flights out of Mt Isa departing any time today. If necessary / desired, a few hours in the morning can be spent birding. We’ll arrange for you to be taken to the airport (included) at any time for your flight home (own arrangement). Tour ends. (meals: B).
Nine Grasswren 12-day birding tour 2018

Pre-tour options:
Commencing Friday 27 July we’ll be running our 4-day Red Centre Adventure out of Alice Springs. Taking daily trips out to different areas targeting enigmatic birds such as Dusky Grasswren, Rufous-crowned Emu-wren, Spinifexbird, Grey Honeyeater, Western Bowerbird, Painted Finch and more, this is a small group tour of like-minded people and visits the Eastern and Western MacDonnell Ranges, the sewage works, the Old Telegraph Station, the Tanami Road, Kumoth Bore and the Deep Well Road. An optional extra 2 days for Sandhill Grasswren is also offered, plus the opportunity to seamlessly link with our subsequent Nine Grasswren tour.

You can link the Red Centre Adventure seamlessly with our Nine Grasswren tour, and receive the following benefits:
- Night of 31 July included in price (Alice Springs)
- Free flight Alice Springs-Adelaide
- Return-client discount on your 2nd tour (no other discounts apply).
Please contact us for further details.

Post-tour options:
Commencing Sunday 12 Aug we’ll be running our Great Northern Tour by private airplane. This tour cris-crosses Northern Australia: Alice Springs, Uluru, Pilbara, Kimberley and Kakadu. You’ll get an excellent chance of all other species of Grasswren: Dusky, Sandhill, Pilbara, Black and White-throated plus an exciting mix of addional birds. If you wish to join the Great Northern Tour in conjunction with the Nine Grasswrem tour you’ll be eligible for a $1000 discount off the total price. Participants of both tours can join the Great Northern Tour in Mt Isa and at the end, will be flown back to Melbourne. The itinerary can be found here: http://www.bellbirdtours.com/great-northern-tour/

If you wish to stay in Mt Isa for one or more days after the tour finishes, in the same hotel that we’ve been using there, please tick the relevant box on the booking form. We can book this for you and add the cost to your tour price – this way you can stay in the same room and don’t have to check out on the last day. We can also book your domestic or international flights and arrange travel insurance for you.

Continue on our Great Northern Tour to see all Grasswren species, and get $1000 off the total price!

Price inclusions and exclusions:
Included: All meals commencing with Dinner on Day 0 and finishing with Breakfast on Day 12, morning tea/coffee, some snacks, some fruit, some drinks, unlimited drinking water refills. Accommodation in private en-suite rooms, although on some nights only basic rooms with shared facilities are available. Transport using comfortable and reliable 4WD vehicle, Expert guiding, any entry fees, taxes.

Excluded: Travel to & from departure and finish points, Pre- & post trip accommodation, any meals before Dinner on Day 0, any meals after breakfast on Day 12, drinks except where provided, personal expenses, tips, insurance.

Bookings: Please book online: http://www.bellbirdtours.com/bookings or complete the booking form in the back of this brochure. We can also arrange your flights, accommodation and insurance through our partnership with TravelManagers – please contact us for details.

To secure a seat, a deposit of 20% of the tour price is required at the time of booking. Full payment is due 60 days prior to the departure date. Until full payment has been received, Bellbird Tours reserves the right to change the tour price (eg due to changing fuel prices).

Please tick which of the following payment options you will be using to pay the deposit:

☐ Domestic electronic funds transfer: please send funds to the following bank account:
  - bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
  - account name: Bellbird Tours Pty Ltd
  - Branch No. (BSB) 015-140    Account No. 206136528
    - Please use your surname as the booking reference.

☐ Visa & Mastercard: through Pin Payments (an easy, secure online payment system). They charge us a fee of 1.75%, which unfortunately we have to pass on to you. Please contact us if you want to use this option, and we’ll email you a link to a secure payment page.

☐ PayPal & other credit cards through PayPal: They charge us a fee of between 2.5-3.5% to receive your money, which unfortunately we have to pass on to you. Please contact us if you want to use this option, and we’ll email you a secure PayPal invoice.

☐ International electronic funds transfer: please send funds in Australian Dollars (+ bank charges or AU$20 bank transaction fee, see notes below) to the following bank account:
  - international swift code: anzbau3m (no IBAN codes are used in Australia)
  - bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
  - account name: Bellbird Tours Pty Ltd
  - Branch No. (BSB) 015-140    Account No. 206136528
    - If possible, please use your surname as the booking reference.
    - If you are required to provide our physical address, this is: 101 Chilton Road, Berri, SA 5343, Australia.
    - Please specify AU$ as the recipient’s currency, and the correct amount. Select the option for you to incur any charges at both ends; if no such option exists, please add AU$20 to cover the bank fee at the recipient’s end. Any discrepancy between the amount payable and amount received will be added to the final balance, or payable in cash at the start of the tour. Prices and fees are not negotiable.
