

Bellbird
BIRDING TOURS

Cheynes Beach

Unspoilt beaches and excellent birding.

Bellbird Tours is excited to offer you this package consisting of 2 nights' accommodation in an en-suite cabin at well-known Cheynes Beach Caravan Park, breakfast provisions and a 8 hour guided birding trip (afternoon + next morning).

Cheynes Beach is a protected cove, 45 min drive from Albany in south west WA, with aqua blue waters and sparkling white sands. Like much of the region, the area is undeveloped and virtually unspoilt.

Cheynes Beach Caravan Park is the only place where you can find the highly sought after Noisy Scrub-bird, Western (Black-throated) Whipbird and Western Bristlebird all at walking distance from your cabin.

Besides birdwatching, this is also an excellent place for whale watching, photography, bush walking and fishing.

Contact Bellbird Birding Tours to book this package.

Bellbird
BIRDING TOURS

Cheynes Beach

Unspoilt beaches and excellent birding.

The south-west corner of Western Australia is one of the most bird-rich areas in the country.

We'll spend an afternoon and the next morning birding the south coast for the notorious and often elusive trio of Noisy Scrub-bird, Western Bristle-bird and Western (Black-throated) Whipbird. Noisy scrub-bird, one of our rarest and elusive species was only re-discovered in 1961. We should hear each of these species multiple times and with perseverance, obtain views of them.

Other possible species here are Southern Emu-wren, Tawny-crowned Honeyeater, Rock parrot, white-breasted Robin, Brush Bronzewing, Shining Bronze-cuckoo, Stubble Quail and Red-eared Fire-tail.
