BIRDING TOURS

The Frames is located at Paringa on the Murray river in South Australia and is an ideal base for the avid birdwatcher.

Diverse habitats include the river and its many wetlands and floodplains, and the “mallee” eucalypt woodlands.

The area’s rich birdlife will be explored during your 9-hour tour, focusing on bush birds in the morning with key species including Gilbert’s Whistler, Chestnut Quail-thrush, Shy Heathwren, Mulga Parrot, Splendid and Variegated Fairy-wren, and many species of honeyeater; while later in the day we visit the bird-rich wetlands of the Murray River with its many species of waterbirds and chances of Freckled Duck, crakes and rails, Regent Parrot, White-winged Fairy-wren and sometimes Banded Stilt.

The variety of habitats in the region means that this trip can be modified to suit your wishes within the timeframe available.
